--	------------------------------

By submitting this registration, I consent to and authorize, without further compensation, the use and reproduction of any and all photographs taken of me or anyone associated with me. Negatives and positives remain the property of the Reuben H. Fleet Science Center. Program grade levels indicate the upcoming grade level of the child. We will not enroll campers that do not meet the grade criteria for each camp. Participants are enrolled on a first-come, first-served basis with members receiving priority if registrations are received on the same day. Full refunds for enrolled participants who wish to cancel may be requested up to two weeks before the class date. ALL cancellations two weeks or less before camp begins will be subject to a 20% handling fee. There will be no refunds for cancellations made one business day before the start of camp. Programs not meeting a minimum enrollment will be cancelled and registrants will receive a full refund. Parents, guardians or others who are picking up and dropping off students attending our classes will not be able to access the Fleet's paid admission areas without purchasing admission. We reserve the right to dismiss students without refund from the program for reasons of behavior or tardiness.

## Nierman Challenger Public Missions
